

TUSYAD–AEA Knee Arthroscopy Course

16–17 October 2026

Venue: NH Collection Barcelona Grand Hotel, Calderon

Directors: Dr. J.M Centenera (AEA) and Dr. Y. Kocabey (TUSYAD).

Format: Advanced, interactive course focused on surgical decision-making and real clinical cases.

Target audience: senior residents, fellows and young specialists interested in knee arthroscopy.

Participants are asked to submit one clinical case in advance, including clinical history, examination findings, imaging, proposed diagnosis and a specific question for the faculty

Friday, 16 October 2026

15:00–15:10 **Welcome and course introduction**

Session I. Meniscal Pathology 15:10–16:30

15:10-15:25	Why meniscal preservation should be prioritised whenever possible.	Dr Mehmet Köse
